37 CFR 1.116 AMENDMENT AFTER APPEAL

SIR:

Please consider the following remarks.

REMARKS

Examiner Russel telephonically asked that we file a 37 CFR 1.175 supplemental reissue declaration required after prosecution is closed in a reissue application. The examiner also requested that we file an amendment updating the statement of related cases in the first paragraph of the reissue specification specifying the status of the related reissue cases.

Submitted herewith are (1) a 37 CFR 1.175(b)(1) and (c) supplemental reissue declaration by the assignee and (2) supplemental amendment after allowance.

Amendment to the specification begins on page 2 of this document.
